FINALISTS ANNOUNCED – 2019 SYDNEY CITY REGIONAL BUSINESS AWARDS

NSW Business Chamber, in partnership with City of Sydney, is pleased to announce the finalists for the 2019 Sydney City Regional Business Awards.

These awards recognise excellence in business, leadership, entrepreneurship, innovation, business growth and employment practices across the Sydney City region.

Winners will be announced at the Sydney City Gala Event held on Wednesday 31 July at Sydney Town Hall. We encourage businesses and individuals to purchase tickets, even if not a finalist as the gala evening is a fantastic opportunity to network with likeminded individuals and to celebrate business excellence in NSW.

Winners of the 2019 Sydney City Regional Business Awards will represent the Sydney City region at NSW Business Chamber's State Business Awards to be held on Friday 22 November at the International Convention Centre, Sydney.
